Good morning Gary,

We have no additional comments. Have a great week!

Satya

Leah & Satya,

As we discussed today, I will be asking the Corps of Engineers to do an assessment of the San Jacinto cap damaged area. The attached letter from Harris County has some items to include for this review, but please let me know if you see anything else that might be helpful to ask the Corps. I would appreciate your response by the middle of next week – 1/20/16.

Thanks,
